

# WHISTLE STOP EXPRESS *Cafe & Bakery*

*Sister of The Whistle Stop Restaurant and Gift Shop  
in Historic Glendale, Kentucky*

**The Whistle Stop has been a family owned restaurant since it was established in 1975, serving Southern foods made from recipes handed down over the years.**

**Most of our foods are made from scratch and feature award-winning desserts, fried chicken, meatloaf, bean soup with fried corn bread, and many more favorites.**

**We now have here in Elizabethtown a small Café to bring you some of our customer's favorites and a variety of Sandwiches, Soups, and Salads that are unique to this location. In addition, we offer cookies, brownies, pies, and cakes baked here by hand, daily as long as they last. From Louisville we have the famous Graeter's Ice Cream, which we consider the best ice cream you will ever have. We sincerely hope you enjoy your meal here and will come back often and bring your friends and family!**

**Thank you for choosing  
to have your meal with us,  
*Mike and Lynn Cummins***
